

**Position: Employment Services Expert****Vacancy: 02**

RISDA-Bangladesh is a national, nonprofit, and non-political NGO established in 1994 with a mission to promote human rights and drive socio-economic development for underprivileged, marginalized, and hard-to-reach communities. Since its inception, RISDA-Bangladesh has implemented various programs in humanitarian response, community development, skills development, renewable energy, microfinance, education, health & nutrition, agriculture & livelihood, women empowerment, protection, and more.

The organization envisions a world where all individuals can realize their full potential—a vision aligned with the 2030 Agenda for Sustainable Development, adopted by 193 Heads of State and Government in September 2015.

RISDA Institute of Technology (RIT) is a flagship initiative of RISDA-Bangladesh, operating since 1998. It is an ISO 9001:2015 certified Technical and Vocational Training and Assessment Center, affiliated with the Bangladesh Technical Education Board (BTEB) since 2014 and accredited by the National Skills Development Authority (NSDA) since 2019.

NB; This position is contingent upon the award of the project by the donor. The position description may be revised based on updated information from the donor.

Role and Scope

RISDA-Bangladesh is seeking a dynamic **Employment Service Expert** for an upcoming project aimed at expanding access to skills development and employability for NEET youth, with a strong emphasis on gender diversity, ethnicity, and Persons with Special Needs (PwSN). This initiative prioritizes female participation in the national workforce through interventions such as alternative education, skills training, employment support, institutional capacity-building, and the creation of an enabling environment. The project also integrates a Contingent Emergency Response Component to enhance adaptability and resilience.

The overarching goal is to empower NEET youth by strengthening their skills, promoting continued education, and fostering an inclusive and supportive environment.

Key Responsibilities

- Minimum of ten (10) years of progressive experience in skill development and job replacement programs for youths.
- Possess experience in bolstering innovative business models centered around the creation and exchange of intellectual assets within the context of the Fourth Industrial Revolution (4IR) and related industries.
- Demonstrate proficiency in crafting a deployable human resource pool for designated trades by enhancing job-readiness factors.
- Capable of facilitating youth participation in pertinent industries, particularly focusing on female and disadvantaged group engagement through targeted training, provision of career information and advice, and enhancing employer hiring processes especially in EZs, EPZs, IZs, HTPs, and STPs.
- Proficient in establishing connections between the youths and the business community by leveraging the mentors for the provision of career advice and guidance.

Should have work experience in concerned division and local level language proficiency for ensuring better communication with beneficiaries.
